

Education and Training Pathways of Youth Workers
Hotel Grand Marina, Helsinki Finland
20th – 22nd February 2019

Practical Information for Participants

This seminar will provide a forum for local, regional and national authorities responsible for the development of youth work, professional/paid and voluntary youth workers, youth work educators and trainers, researchers, young people and NGOs active in youth-work training to contribute to the development of a competency-based framework. It will explore and discuss the diversity of models in Europe for the education and training of youth workers.

Participation is by invitation only, participants are selected on the basis of their applications. Due regard is given to geographical and gender balance, as well as to ensuring a balance between key stakeholders with expertise in the subject areas to be discussed and other profiles.

Please note the working language of the seminar is English.

The programme, accommodation and meals are provided by the organisers of the seminar. The accommodation (with breakfast) is offered at Hotel Grand Marina in single rooms for two nights (20th – 22nd Feb.).
